Please do not visit if you have:

- Any flu-like symptoms (like a fever, cough, sore throat, runny nose or shortness of breath) as you may put other people at risk.

- Travelled to countries where novel coronavirus (COVID-19) is widespread or you have had contact with anyone known to have COVID-19, do not visit the facility for 14 days since last contact or leaving those countries.

If your visit is urgent, please do not enter and call the facility for further advice.
