An important message from BreastScreen NSW

BreastScreen NSW has resumed breast screening. Your safety is our priority.

That's why we've put extra measures in place to protect women and staff against the risk of COVID-19 transmission.

The changes we've made:

- 1.5m Social distancing in clinic waiting rooms
- Providing hand sanitiser
- Ongoing cleaning of equipment and commonly used surfaces
- Precautionary questions around health and travel

To prepare for your appointment:

- Attend your appointment alone
- Stay a safe distance from others
- Stay at home if you are unwell
- Arrive only five minutes prior to your appointment
- Wash your hands before your appointment
