PSS is for individuals who live, work or study in the Central and Eastern Sydney region with diagnosable mild to moderate mental health concerns, who may benefit from short term treatment, are unable to access other available services including Better Access (Medicare subsidised psychological services) due to financial hardship (individual income < $55,000; family income < $130,000) AND who fit into the below eligibility:

**Program Eligibility (please check each item - patient must meet each criteria below to be referred)**
- □ Child lives or goes to school in the Central and Eastern Sydney region
- □ Child is not currently experiencing domestic violence (if so, a mandatory report must be made) and is not involved in any family law or child protection matters
- □ Child is experiencing, or at risk of developing mild to moderate childhood mental, emotional or behavioural concerns
- □ Child would benefit from short term psychological intervention
- □ Child is aged 0 – 12 years old and under, who have not yet graduated from primary school

Does the family meet the income threshold criteria for PSS (individual income < $55,000 or family income < $130,000)? □ Yes □ No
