

RETHINKING MENTAL HEALTH 6.0 FORUM STALLHOLDER Expression of Interest

Central and Eastern Sydney PHN (CESPHN) is proud to host Rethinking Mental Health 6.0! The event will take place on 7 November 2019 at the Pullman Hotel in Mascot. This year's theme is "A Whole of Health Approach". The goal of this theme is to explore innovation, practice, research and lived experience around approaches to mental health and wellbeing that incorporate a 'whole of person' approach. The day will explore how acknowledging and incorporating individuals physical, spiritual and social needs into care and service delivery can improve mental wellbeing.
